

MPM Technologies Compatible Consumables Guarantee

The following guarantees apply to all compatible toner products supplied by MPM. They are in place to provide peace of mind for our customers, guaranteeing performance of equal standing to the original equipment manufacturer (OEM) whilst reducing your IT consumable spend.

- All products supplied by MPM Technologies will provide an equal quality of print to the OEM
- All MPM Technologies toners will provide an equal number of copies to that of the OEM
- All products are sold with a 100% money back guarantee
- Due to the fact that MPM Technologies provide nationwide printer and fax cover any problems caused by a MPM Technologies product will be rectified free of charge by a MPM Technologies engineer
- MPM Technologies guarantees that your warranty or maintenance agreement will not be affected by the use of our products
